

WISCONSIN LEGISLATIVE COUNCIL ACT MEMO

2005 Wisconsin Act 404
[2005 Senate Bill 554]

**University of Wisconsin (Remedial
Legislation)**

2005 Act 404 is an enactment of a bill introduced by the Law Revision Committee as remedial legislation requested by the Board of Regents to the University of Wisconsin (UW) System.

Act 404 changes the membership of the State Laboratory of Hygiene Board by substituting the Chancellor of the UW-Madison for the President of the UW System. The Act also deletes obsolete references and clarifies the operation of the transfer program at the UW School of Medicine and Public Health.

Current statutes grant nonresident tuition exemptions for the UW System to nonresident veterans who, among other things, were honorably discharged for military service within four years of registering at a UW institution. Act 404 changes the word “registering” to “applying.”
